INSTANT REPLAY APPROVED FOR 1988

For the third consecutive year, NFL clubs have approved a limited system of Instant Replay on a one-year basis.

The system basically stays the same as in 1987 with the exception that the Replay Official will now be assigned to a regular officiating crew and will attend crew meetings the day before each game. League office personnel will no longer be used as Replay Officials. In 1987, there were 490 plays closely reviewed (defined as a contact to the field, but not necessarily stoppage of play). There were 57 reversals in 210 games for an average of one reversal in each four games. In 1986, there were 374 plays closely reviewed resulting in 38 reversals in 224 games.

In 1986, the system was approved by a 23-4-1 vote. In 1987, the vote was 21-7. In 1988, replay was cleared by a 23-5 margin.

The NFL has discussed Instant Replay in some degree or other since the early 1970s. The League experimented in 1976 and 1978 using two basic frameworks—an independent system using cameras, replay machines, and technicians separate from the network covering the game, and a “no frills” approach using existing television coverage.

In 1985, the NFL used the network feed of nine nationally televised pre-season games to experiment with the basic system that later was adopted for 1986 and 1987. A total of 28 plays were examined closely in 1985 (17 confirmed call, 4 were inconclusive, 1 was reversed, and 6 had no replay shown).

What is the objective of this system?

The clubs feel that on certain plays the telecast viewed by the general public should be used to correct an indisputable error. The system will be used to reverse an on-field decision only when the Replay Official has *indisputable visual evidence* available to him that warrants the change.

Is the television network carrying the game part of the review process?

No. Although the Replay Official will be viewing the live network feed, there is no communication to television personnel as to what plays to show or not to show.

What is the step-by-step procedure of play review?

The Replay Official will view game action and a play will be replayed immediately on one of the two monitors, while the other monitor continues to record the live feed.

The Replay Official makes a determination if further study of the play is needed. If not, there is no contact with the field and play continues without interruption.

If the Replay Official believes an error may have been made, the Umpire will be contacted via a headset.

The Replay Official will watch replay(s) on one or both monitors and complete his review within a reasonable period after the play is over.

The Replay Official will inform the Umpire of his decision, and the Referee will make the appropriate announcement on the wireless microphone.

The limited Instant Replay system concentrates on plays of possession or touching (e.g., fumbles, receptions, interceptions, muffs) and most plays governed by the sidelines, goal lines, end lines, and line of scrimmage (e.g., receiver or runner in or out of bounds, forward or backward passes, breaking the plane of the goal line).

However, the Instant Replay system will *not* include the following fouls: clipping; encroachment and offsides; grasp of facemask; false start; defensive pass interference; offensive pass interference; offensive holding and illegal use of hands; illegal batting or punching ball; illegal block on free kick or scrimmage kick; illegal crackback; illegal motion; illegal use of forearm or elbow; illegal use of hands by defense; illegally kicking the ball; illegally snapping the ball; intentional grounding; member of the punting team downfield early; illegal formation; palpably unfair act; piling on; roughing the passer; running into or roughing the kicker; striking, kicking, or kneeing; unnecessary roughness; unsportsmanlike conduct; and use of the helmet as a weapon.

PRESIDENT AND OWNER

RALPH C. WILSON, JR. **President and Owner**

It's been more than 25 years, 29 to be exact, that Ralph Wilson became involved in professional football. As the only owner of the Buffalo Bills, he has seen his club grow from its early days as a member of the fledgling American Football League to its present association with the National Football League.

During his tenure as owner of the Bills, he has watched two of his club's win American Football championships (1964-65) and just narrowly miss winning a chance to participate in Super Bowl I following the 1966 season when Buffalo fell to Kansas City in the AFL title game.

Wilson has also watched one of his players, O.J. Simpson, become the dominant offensive player of the 1970's and another, quarterback Jack Kemp, win a landslide election to the U.S. House of Representatives and later become a presidential candidate in 1988.

For Ralph Wilson, football has been important since he was a young man and accompanied his father to University of Detroit and Detroit Lion games. "I was an avid fan in the early part of my teens," Wilson recalls. "I could see the interest developing in professional football in the days of Leon Hart, Bobby Layne and Doak Walker. We could see how popular the sport was becoming."

His enthusiasm for professional football led him to purchase a minority share in the NFL Detroit Lions and later to join ranks with Lamar Hunt and other members of "The Foolish Club" in an ambitious, but risky, venture known as the American Football League.

In the beginning there were indignities, like dressing in the boiler room below a high school gym because the principal didn't want "pros" using the locker room, but "The Foolish Club" persevered and finally merged with the older National Football League.

Recalling his early days in the AFL, Wilson says he "never thought about throwing in the towel, never considered selling the team. Of course, in the first three years we lost money. There were times when I reminded myself I used to pay five dollars for a ticket to the Lions' games and I enjoyed myself and had no headaches. I would ask myself what I was doing here."

PRESIDENT AND OWNER

It was Wilson and the late Carroll Rosenbloom, then owner of the Baltimore Colts, who had the first tentative talks in January, 1965, that eventually led to the AFL-NFL merger. A former president of the AFL, Wilson served as a member of the Expansion Committee and the AFL-NFL Negotiations Committee.

He was also prominent in the negotiations which resulted in a 1977 agreement between the NFL Management Council and the NFL Players Association. In the past he has also served on the NFL Pension Committee and its Labor Committee. The Bills' owner also served as a member of the Selection Committee last winter which was involved in making recommendations for the site of Super Bowl XXV.

A native of Detroit since moving there with his family as a youngster, Wilson earned his undergraduate degree from the University of Virginia and later attended the University of Michigan Law School. He enlisted in the Navy during World War II, earning his commission within a year and serving aboard minesweepers in both the Atlantic and Pacific theatres.

Among his many business pursuits, Wilson is Chairman of Ralph C. Wilson Industries, Inc., which includes manufacturing, television, construction, insurance and contract drilling.

From the inception of the Bills, Wilson has played a dynamic and active role in the organization. He is determined in his effort to bring two things — "winning football and a Super Bowl trophy" — to the NFL faithful of Western New York.

GENERAL MANAGER

BILL POLIAN

General Manager and Vice President Administration

Bill Polian has scouted football players, coached football players and negotiated contracts with football players. That gives Polian, who also played the game at New York University, a unique perspective for his job as General Manager of the Buffalo Bills. He enters his third season with the club after being appointed on December 30, 1985 to succeed Terry Bledsoe.

Polian, 45, has attacked his duties with gusto. He has made a number of organizational changes and increased the Bills' overall marketing and promotional efforts in an attempt to make the Bills' front office, in his own words, "the best in the National Football League in everything we do."

Some of the moves instituted during his first two seasons were a promotional tie-in with Marine Midland Bank which vastly increased ticket outlets in Western New York and gave the club greater visibility. He also made an effort to improve the club's offseason workout program which has resulted in a greater number of players spending all or a portion of their offseason in the area. Polian also established the Buffalo Bills Foundation which will aid Western New York charities in the future and he has made a great effort to provide a full entertainment package to fans attending home games with improved pre-game, halftime and post-game shows.

One of his biggest accomplishments in 1986 was the signing of Jim Kelly in August of that year. The impact was felt immediately as ticket sales jumped and interest soared. The Bills sold out their home opener with the Jets and drew a record 79,951 fans. Overall there were three sellouts in 1986 and attendance jumped from an average of 37,893 to 66,476.

Polian helped orchestrate the deal with the Colts and Rams for Cornelius Bennett in October, 1987 and the trade climaxed a year of dealing by the club. On draft day that year, Polian and the Bills made moves which helped obtain cornerback Nate Odomes with the first choice in the second round, defensive end Leon Seals in the fourth and nose tackle Bruce Mesner in the eighth round. When the Bills dropped down from third to eighth in the opening round, they still got linebacker Shane Conlan and a high pick in a later round which they packaged with another later selection to choose Odomes.

He has also been involved in the community, making better than 100 speaking appearances in the last year and serving as a board member of the New York State Police Foun-

dation, Our Lady of Victory Hospital and the United Way of Buffalo and Erie County.

A native of Cornwall, New York, Polian served as the Bills' Director of Pro Personnel during the 1984-85 seasons. In that capacity, he was involved in the game scouting of future opponents, conducting contract negotiations with draft choices and free agents, coordinating tryouts for free agent prospects and handling a variety of other player personnel responsibilities.

During that time, he signed top pick Bruce Smith, the number one choice in the 1985 NFL Draft. In the last couple of seasons, he went into the free agent market and signed Kent Hull, who ended up being the club's starting center in both 1986-87, safety Mark Kelso and kicker Scott Norwood.

At his introductory press conference, Polian said: "I want to emphasize, as Mr. (Ralph) Wilson has emphasized to me, that he is committed to building a winning football team for the fans of Western New York. I share in that sentiment. I believe that we've hit a low point and we're on our way up. Faith can move mountains, so the cliché goes . . . and maybe even a few Miami Dolphins on the goal line, as time goes by."

In line with that philosophy, Ralph Wilson, at the urging of Polian and head coach Marv Levy, approved the building of a new \$250,000 grass practice facility which will be ready for the 1988 season.

Polian joined the Bills in August, 1984 after one year as Pro Personnel Director of the Chicago Blitz in the USFL where he worked closely with Marv Levy. The two first worked together in 1976 while Levy was head coach in Montreal and Polian was a U.S. scout for the Alouettes. He later assisted Levy as a pro scout in Kansas City from 1978-82.

In addition, Polian worked as Player Personnel Director for the Winnipeg Blue Bombers in 1983.

A graduate of Mount St. Michael Academy in the Bronx and New York University, Polian was captain of the football team at NYU and a starting safety in 1965. After graduation, he accepted a coaching post at Manhattan College and spent two years there.

During the next eight seasons, he worked in the college ranks at the U.S. Merchant Marine Academy and Columbia as an assistant. He also served as head baseball coach at the Merchant Marine Academy for a period in that stretch.

Polian's contacts in football and knowledge of the League and its personnel are sure to be a valuable asset to head coach Marv Levy.

While Polian believes the turnaround on the field is already in motion, he isn't taking anything for granted. "Our philosophy is that we have to say, 'Please,' and, 'Thank You' and we have to sell like hell."

Polian, who was born on December 8, 1942 in New York City, is married (Eileen) with four children, a daughter, Lynn, and three sons, Chris, Brian and Dennis. They reside in Hamburg.

HEAD COACH

MARV LEVY

Vice President for Football Operations and Head Coach

Marv Levy, a man whose coaching background has covered all levels of play, is in his second full season as head coach of the Buffalo Bills and his third with the club. Levy took over with seven games remaining in 1986 from Hank Bullough and became the 10th man to serve as head coach of the Bills.

Although Levy's 1986 club finished with a 2-5 record over those final seven games, it did show some improvement in a number of areas like defense against the run, special teams and in the all important confidence area. The Bills were competitive in all seven games with the greatest margin of defeat being 10 points. The Bills also dropped one other game by four points and a third by a field goal.

With a revamped coaching staff and the luxury of a full offseason and training camp as preparation, the improvement continued last season. The highly-organized Levy led the Bills to a 7-8 record and Buffalo was in the hunt for the AFC East title up until the next-to-last week of the season.

The Bills went into Week 15 in the driver's seat, needing only to win the final two games to claim its first AFC East title since 1980. However, New England spoiled the plans with a 13-7 win. Coupled with wins by Miami and Indianapolis the same day, the Bills were eliminated from playoff contention.

Despite the setback, Buffalo earned renewed respect in the National Football League. Levy led the Bills to a pair of wins over the Miami Dolphins for the first time since 1966 and also to a 21-14 victory over the Denver Broncos, who later went on to earn a berth in Super Bowl XXII. The Bills also posted a convincing 27-3 win over the Indianapolis Colts in the Hoosier Dome in mid-December.

When he was chosen to direct Buffalo's football fortunes, Levy was serving as the Director of Football Operations for the Montreal Alouettes of the Canadian Football League. He had held that position since the summer. Levy brought a total of more than 30 years in the coaching profession to the Buffalo post.

A native of Chicago and a Phi Beta Kappa graduate of Coe College in Cedar Rapids, Iowa, Levy got his start in the coaching profession as head coach at St. Louis Country Day School in 1951 following his graduation from Coe, where he was a standout running back. In just two seasons at St. Louis Country Day, he compiled a 13-0-1 record before returning as an assistant coach at his alma mater for three seasons (1953-55).

He joined the University of New Mexico staff in 1956 as an aide to Dick Clausen and served as head coach of the

Lobos in 1958-59. One of his star players during that period was former Dallas Cowboys' great, Don Perkins. Levy was chosen as the Skyline Conference Coach-of-the-Year honors two years in succession and then moved on to the University of California where he remained as head coach through the 1963 season. His quarterback for two seasons was another former Dallas star, Craig Morton. Another member of the Cal squad was former baseball star, Mike Epstein.

Levy's next coaching assignment was at The College of William & Mary where he was the head coach from 1964-68. He was twice named the Southern Conference Coach-of-the-Year while coaching the Tribe (1964-65) and led William & Mary to what the NCAA later called one of the 10 greatest upsets in college history, a 27-16 victory over Navy.

Professional football beckoned in 1969 and Levy joined the staff of the Philadelphia Eagles as kicking teams coach under Jerry Williams. After one season there, he joined George Allen's staff with the Los Angeles Rams before moving with Allen to the Washington Redskins the following year where he continued to handle special teams. With a great emphasis on the kicking game, Washington won the 1972 NFC title with a 26-3 win over Dallas. The Redskins then proceeded to Super Bowl VII where they fell to the Miami Dolphins, 14-7. Two years after going to Washington, he was named the head coach of the Montreal Alouettes in 1973.

In his five seasons in the Canadian Football League, Levy led the Alouettes to a 50-34-4 record and his teams were playoffs contenders in all five seasons. His first squad participated in the playoffs and a year later, led by quarterback Sonny Wade, the Alouettes captured the CFL title with a 20-7 win over Edmonton in Vancouver. Three years later the Alouettes repeated the trick, turning back Edmonton once again, 41-6, at Montreal's Olympic Stadium.

Marvin Daniel Levy took over as head coach of the Kansas City Chiefs on December 20, 1977, less than a month after leading his Montreal club to the CFL crown. When he joined the Chiefs, the former Super Bowl champions were at a low point, coming off a disastrous 2-12 season. But with Levy at the helm, improvement started immediately. In his first season the Chiefs improved to 4-12 and continued to get better each year. His 1979 club was 7-9 and the following season, Levy's squad was 8-8. Only a late San Diego field goal in the final 13 seconds of a game in 1981 kept the Chiefs from winning the AFC West title and advancing to the playoffs. Levy departed Kansas City after the strike-shortened 1982 season and worked in broadcasting for nearly two years before returning to the coaching ranks as the head coach of the Chicago Blitz of the United States Football League in 1984.

In his one season in the USFL, Levy took over a team that had changed considerably from its previous season. The team's ownership had changed, and all but four players from the previous season remained when Levy took charge. Despite all these problems, the Blitz were a competitive club and posted a 5-13 record before the team's demise due to financial problems.

HEAD COACH

An advocate of the balanced attack, Levy's philosophy is simple — "Our style is simple but not easy. Roll up your sleeves and play good, solid football. We want to develop a quality football team that is going to last. Our goal is to win the Super Bowl and win it again and again."

Having spent time around George Allen, Levy knows the importance of a strong defense and a quality kicking game. He hopes to bring both of these traits to the Bills.

Levy's keen interest in the importance of the kicking game was reflected in the Bills' effort in the department last year. Buffalo ranked first in the NFL in kickoff coverage by allowing opponents just 15.8 yards-per-return which was almost five yards better than the Bills' effort in 1986. The Bills were second in punt coverage and allowed opponents just 5.1 yards-per-return. The club blocked four punts, including two in one game against Denver, and partially blocked seven others. Only the New Orleans Saints with five blocks had more, while the Rams also had four.

There was also a marked improvement in the Buffalo defense in 1987. After ranking 24th in 1986 in total defense, the Bills moved up to 12th overall in 1987. Improvement could be forthcoming in 1988 as the defense continues to mature. The Bills had the youngest starting defense in the NFL last year with three rookie starters.

Prior to joining the Bills in 1986, Levy was quite familiar with the club from his work as part of the Bills' preseason television crew. He served as the color commentator from 1983-86 and was also involved in broadcast work in other areas. He did some work with NBC and ESPN and was also a member of the University of California radio team in 1985-86.

When he begins the 1988 season, Levy will start with a 40-55 career record in the National Football League. Born August 3, 1928 in Chicago, Levy attended South Shore High School in that city before enrolling at Coe College. In addition to his degree from Coe, Levy also owns a master's degree in English history from Harvard. He and his wife, Dorothy, whom he met while a student at Coe, live in Orchard Park.

The Bills obtained the choice used to select Kelly in a trade with Cleveland for Tom Cousineau in 1982... Made his 1st appearance in the Pro Bowl last season... His completion percentage broke his old mark of 59.4 which he set in his initial season with the Bills... Ranked 6th in the AFC in passing with a rating of 83.8... Twice named the AFC Offensive Player-of-the-Week... The completions matched his Buffalo high from the previous year vs. Tampa Bay... Went over the 300-yard mark three times... The others were against the Jets in the opener and against the Raiders in Los Angeles... Opened the season by hurling three TD passes against the Jets and Oilers the first two weeks... From Weeks 9-16, he tossed 13 TD's and was intercepted just five times... Had just nine TD's and 12 interceptions in first half... PRO: In his 4th season with the Bills... Has been the regular kicker for the club the last three seasons after signing as a free agent in the spring of 1985... His career field goal percentage (.678) is the highest of any kicker in Bills' history... His 206 career points ranks 4th on the all-time list for kickers... Needs 12 points to surpass Pete Gogolak and 34 points to pass Nick Mike-Mayer... Heads into 1988 with 42 straight PAT's... Is the 22nd kicker in Bills' history... Played with Birmingham in the USFL in 1983 and for part of 1984 before an injury sidelined him... Had a free agent trial with Atlanta in 1982.

1987: Led the club in scoring for 3rd year in succession... Scored 61 points in the 12 games he played... Was 31 of 31 on PAT's and 10 of 15 on field goals... His biggest kick of the year was against Miami on the road in October when he booted a 27-yard field goal in OT to give Bills a 34-31 win... His long kick of the season was 45 yards at the Meadowlands vs. the Jets (11/22)... It proved to be the decisive points in the 17-14 win... Four times he had two field goals in a game... Failed to attempt a field goal in five games and was 2-2 in final four games.

1986: Scored 83 points in the 16-game season and led the club in that category... The 83 points were the most by a Buffalo kicker since the late John Leyppoldt scored 90 in 1973 and the point total was the most in one season by a player since O.J. Simpson scored 138 in 1975... Made 17 of 27 field goals and 32 of 34 PAT's... The field goal totals were most by a Buffalo kicker since Nick Mike-Mayer had 20 in 1979... Made four of four at New England (11/23), including 48-yarder... Ran his string of successful field goals to eight during year before missing 47-yarder at Kansas City (11/30)... Slumped some at end of year, making just two of last seven kicks... Did make seven of eight in first five games, however... Narrowly missed a club record and a chance to get his name in NFL record books when he hit right upright from 60 yards away at Miami (10/12)... The kick had the distance and would have made it from an additional five yards.

1985: Won the Bills' regular kicking job by beating out nine other kickers in training camp battle... Scored 62 points in 16 games... Set a club record with 10 straight field goals at start of the season... That broke the old mark of seven by Pete Gogolak and Nick Mike-Mayer... Had a successful debut, hitting all three field goals in season opener vs. San Diego... Had a career-best 49-yard field goal vs. Minnesota... Also had a 47-yarder vs. the Pats (10/13)... Made just one field goal in final six weeks although he tried just four in that time.

1983-84: Spent all of 1983 and part of 1984 with Birmingham Stallions... Was a regular in 1983 and scored 109 points on 25 of 34 field goals and 34 of 35 PAT's... Was a co-holder of a USFL record with his five field goals against New Jersey in 1983 (39, 28, 31, 37 and 25)... Had a club record 50-yarder vs. Tampa Bay that year and a 46-yarder in OT to beat Michigan... Kicked in first three games in 1984 before suffering a knee injury on a missed block on a field goal attempt... Was waived early in 1985.

1982: Went to training camp as a free agent with Atlanta but was waived during the summer.

COLLEGE/PERSONAL: Starred as a collegian at James Madison University in Harrisonburg, Virginia where he was one of the top Division I-AA kickers... Made 32 of 57 field goals in his career and three in one game three times... Still holds several JMU records... His 15 field goals in 21 attempts as a junior is still a record... His long kick was a 52-yarder as a soph against Morehead State in a game in which he also made 40 and 51-yarders... Led the Dukes in scoring for two seasons and won four letters... Played for coach Challace McMillin... Also played soccer as a freshman at JMU and oftentimes had both soccer and football games on the same day... One time kicked a field goal to win a game for JMU and later in the day scored the winning goal that won a soccer tournament... Concentrated on football his final three years when James Madison moved from Division III to Division I-AA in that sport... Has a degree in business management... Attended Thomas Jefferson High School in Alexandria, Virginia where he starred in football and soccer... Is a native of Alexandria... PRO: One of the premier defensive players in the NFL ... Is in just his 4th season in the NFL, but has established himself as one of the most feared pass rushers in the League ... Goes into the 1988 season with 33½ career sacks in 44 games ... Only New England's André Tippett (38½) and Seattle's Jacob Green (34) have had more sacks among AFC players in the last three years ... Capped a solid 1987 season by winning MVP honors in the Pro Bowl in his first trip to the game ... He was the first player chosen in the 1985 NFL Draft.

1987: Had an outstanding season which ended with a trip to the Pro Bowl where he won the Dan McGuire Award as the game MVP ... Started all 12 games at right end and led all defensive linemen in tackles with 78 which ranked 4th on the club ... Added 12 sacks for 88.5 yards in losses ... The dozen sacks were the most by a defensive linemen in the AFC and he was just ½ from the Conference leader, Andre Tippett of the Patriots ... He forced three fumbles and recovered two and also registered 17 quarterback pressures ... May have had his finest game in the Bills' 27-3 win over the Colts (12/13) ... Won AFC Defensive Player-of-the-Week honors for his six tackle, three sack effort ... One of those sacks came late in the game when he dropped Sean Salisbury in the end zone, causing a fumble which he recovered for his first ever TD ... Had several other big plays during the year ... Forced a critical fumble late in the Denver win at the Buffalo seven-yard line which was recovered by Nate Odomes with just under five minutes left and the Bills holding a 21-14 lead ... Partially blocked a field goal vs. the Raiders (12/6) ... Started the season off with a bang, recording 13 tackles in the opener vs. the Jets which were a career-high ... Had 1½ sacks in the game, too ... Ran his streak of games with at least one sack to nine during the year (going back to 1986) before it ended against the Redskins (11/1) ... Had a pair of sacks vs. the Browns and 1½ in second meeting with Jets ... His other sacks came against Philadelphia, Denver, Miami and Houston ... Was ejected from the latter game after a scuffle with Doug Williams in the third quarter ... Named 1st team All-Pro by PFWA, PFW, The Sporting News, AP and Sports Illustrated ... He also won the Miller Lite/NFL Defensive Lineman-of-the-Year and was also the UPI Defensive Player-of-the-Year ... Landed 1st team berths on the UPI, PFW, and Football News All-AFC team and was also the NFLPA AFC Defensive Lineman-of-the-Year.

1986: Just missed leading the AFC in sacks when he totalled 15 while starting 15 of 16 games at right end ... Tied for 2nd in the Conference in sacks with San Diego's Lee Williams and was just ½ behind the leader, Sean Jones of the Raiders ... The 15 sacks were a new club record and accounted for 124 yards in losses for opposing quarterbacks ... Had 63 tackles which was 7th on the squad and led the club by forcing three fumbles ... Just missed a trip to the Pro Bowl and was an alternate for the game ... Had at least one sack in all but three games ... Recorded two each against the Jets (10/5) and Pats (10/26) ... Best day in the tackle department was in Week Two vs. the Bengals (9/14) with eight ... Slowed some by minor injuries during the year ... Had a rib injury vs. St. Louis (9/21) and a chest injury against the Colts (10/19) ... Also missed nearly three quarters of the Tampa Bay contest (11/2) with a bruised knee which kept him from starting the next week against Pittsburgh, the only game he did not start all year ... Named 2nd team All-AFC by UPI and HM All-Pro by AP ... Had a solid preseason with five sacks.

1985: Led the Bills in sacks as a rookie with six-and-a-half as he started 13 of 16 games as a rookie ... The only games he did not start were in Weeks 3-5 when Don Smith drew the nod ... Finished 9th in tackles with 48 and led the club with 25 quarterback pressures and four fumble recoveries ... Had a pair of sacks against Minnesota (9/29) which was the high for his rookie season ... Perhaps his biggest sack was against New England (10/13) when he threw Tony Eason for a 13-yard loss and drove him from the game with an injury that brought on Steve Grogan, who took New England to the Super Bowl ... Used some on offense as a short yardage fullback ... Carried the ball for no yards in a fourth and one situation vs. the Jets (12/8) ... His crushing block wiped out two San Diego linebackers to clear the path for Joe Cribbs' one-yard TD run vs. the Chargers (12/1) ... Voted the AFC Defensive Rookie-of-the-Year in balloting done by the NFLPA ... Was also named to the Football Digest All-Rookie team.

New York Jets 31, **BILLS** 28

September 13 — Rich Stadium — (76,718)

Jim Kelly fired three TD passes and completed 25 of 42 passes for 305 yards but it wasn't enough as the Bills lost the season opener, 31-28. The Bills jumped to a 7-0 second period lead on a 26-yard pass from Kelly to Trumaine Johnson but that would be the only lead the club would have in the game. The Jets tied it on a 55-yard pass from Ken O'Brien to Wesley Walker eight minutes later and then took a 14-7 halftime lead on a four-yard toss from O'Brien to tight end Mickey Shuler. The Bills made it 17-14 late in the third period on a Kelly TD toss to Chris Burkett. The clubs then exchanged scores early in the final period before the Jets upped their lead to 31-21 with just under three minutes left on a one-yard run by Johnny Hector. Hector's fourth down TD came four plays after linebacker Bob Crable batted a Kelly pass into the air, intercepted it and returned it to the four-yard line. Robb Riddick's one-yard pass from Kelly closed the scoring.

BILLS 34, Houston Oilers 30

September 20 — Rich Stadium — (56,534)

The Bills scored two touchdowns in the final four minutes to post a 34-30 come-from-behind victory over the Houston Oilers. Quarterback Jim Kelly was the catalyst in the comeback, directing scoring drives of 80 and 54 yards. His 10-yard scoring toss to Ronnie Harmon on second-and-two with 57 seconds remaining was the decisive play. The Bills trailed 30-20 with just 4:58 left after Houston broke a 20-20 tie with 10 unanswered points. A 12-yard pass from Warren Moon to Ernest Givins with 6:27 to play made it 27-20, and four plays following a Jeff Donaldson interception of a Kelly pass, Tony Zendejas kicked a 30-yard field goal to up the margin to 30-20. It took Kelly just 1:27 to move the Bills 80 yards for a score, a two-yard run by Robb Riddick. After Riddick scored, the Buffalo defense stopped Houston on three plays forcing a punt. Taking over at the 46-yard line, Kelly directed the winning drive. Harmon had three big plays in the series. He picked up a first down on third-and-one with a seven-yard run, caught a 12-yard pass from Kelly on third-and-two at the Houston 30 and also caught the winning TD.

Indianapolis Colts 47, **BILLS** 6

October 4 — Rich Stadium — (9,860)

The Bills trailed just 7-0 after the opening quarter before a passing blitz by Gary Hogeboom in the second period moved the Colts in front, 28-0, at the half. Hogeboom tossed four first half touchdowns, including a pair to wide receiver Walter Murray, who finished the game with seven catches for 161 yards. Hogeboom was 16 of 24 for 241 yards and four TD's in the first half and Murray caught all seven of his passes in the opening half. Hogeboom added a fifth touchdown pass to wide receiver James Noble in the first minute of the third period following a Bills' fumble to make it 35-0. A safety, a field goal and an 18-yard TD run by Orlando Brown upped the margin to 47-0 at the close of the third period before the Bills finally got on the board. The Bills lone touchdown came with just over eight minutes left in the game when rookie Willie Totten threw an eight-yard scoring pass to wide receiver Marc Brown. The touchdown came just three plays after John Armstrong blocked Craig Colquitt's punt and Kris Haines recovered at the Colt's 12-yard line.

New England Patriots 14, **BILLS** 7

October 11 — Sullivan Stadium — (11,878)

Running back Mike LeBlanc was the offensive star in the Bills' loss at Foxboro. LeBlanc rushed 35 times for 146 yards for the Pats and ignored wet conditions that existed. His 43-yard run in the opening period helped set up New England's initial touchdown, a four-yard run by Carl Woods, and a 14-yard run by LeBlanc in the third quarter helped set up what was the decisive TD, a one-yard sneak by quarterback Bob Bleier. As was the case a week earlier, the Bills' touchdown came following a blocked punt. With just over 12 minutes left in the fourth period linebacker Scott Watters blocked an Alan Herline punt and Chip Nuzzo recovered at the New England 16-yard line. Two plays later Willie Totten hit Thad McFadden with a 13-yard touchdown pass to cut the Pats' lead to 14-7. The Bills had three other opportunities to tie the game after that but came up empty.

1987 GAME SUMMARIES

BILLS 6, New York Giants 3 (OT)

October 18 — Rich Stadium — (15,737)

Todd Schlopy's 27-yard field goal in overtime ended the longest and perhaps the strangest game in Bills' history. There were nine fumbles, 26 penalties for 258 yards, five interceptions, and five missed field goals. The game was scoreless until five minutes into the final period when George Benyola kicked a 22-yard field goal to give the Giants a 3-0 lead. The Bills tied it with just over three minutes left when Schlopy hit from 31-yards away. The Giants had a chance to win it on the final play of regulation but Benyola's 40-yard attempt was wide left. Two plays earlier, the Giants had recovered a Carl Byrum fumble at their own 23 when the Bills were attempting to kill the clock to await overtime. After winning the coin toss in OT, the Bills immediately drove into Giants' territory thanks to a 30 yard Brian McClure-to-Marc Brown pass and a 16-yard run by Byrum. The Bills elected to go for the field goal on first down from the 14-yard line but a botched snap caused a loss of four yards. A second attempt on the next play from the 18 was wide left. The teams exchanged punts after that before an interception by Steve Clark at the Buffalo 17-yard line thwarted a Giants' scoring attempt. Nine plays later, Schlopy kicked the game-winner. The field goal was set up by a 30-yard run by Byrum.

1987 GAME SUMMARIES

BILLS 34, Miami Dolphins 31 (OT)

October 25 — Joe Robbie Stadium — (61,295)

The Buffalo victory over the Dolphins in Miami was the club's second straight in overtime. Scott Norwood's 27-yard field goal four minutes and 12 seconds into the extra period capped a Bills' comeback and evened the team's record at 3-3, which was the best start since the 1983 season. The Dolphins led 21-0 at one point, before a tremendous second half rally by the Bills moved them in front for the first time, 31-24, with just under four minutes left. Jim Kelly helped lead the rally with a second half effort of 18 completions in 23 attempts for 244 yards and two TD's. His 17-yard pass to Robb Riddick, who had 3 TD's on the day, gave the Bills their first lead. The Bills won the coin toss to start the overtime period. Kelly directed the drive of eight plays and completed passes of 18 yards each to Chris Burkett and Andre Reed on the first and third play to quickly move Buffalo into Miami territory. After three runs by Riddick and one by Ronnie Harmon, the Bills elected to go for the field goal on second down and Norwood was successful. Two of Buffalo's fourth quarter touchdowns were set up by Scott Schwedes fumbles on a punt return then a kickoff return.

Washington Redskins 27, **BILLS** 7

November 1 — Rich Stadium — (71,640)

A 30-yard field goal on Washington's opening drive by Ali Haji-Sheikh gave the visitors a 3-0 lead and the Redskins did not surrender the lead for the remainder of the afternoon. A 12-yard pass from Jay Schroeder to Kelvin Bryant two plays into the second period made it 10-0 and then Washington took advantage of a Monte Coleman interception of a Kelly pass to up the margin to 17-0. Eight plays after Coleman intercepted the pass at the seven and returned it 28 yards to the 35-yard line, Schroeder bootlegged around the right end from 13 yards out. Todd Bowles intercepted another Kelly pass in the third quarter and it took the Redskins just seven plays to move 41 yards from their third TD, a seven yard pass from Schroeder to Bryant. A 33-yard field goal on Washington's next possession made it 27-0 before the Bills finally got on the scoreboard on the first play of the final period. The TD was set up when Leon Seals forced a fumble by Bryant which was recovered by Scott Radevic at the Washington 35. Three plays later, Kelly found Andre Reed for a 17-yard TD.

BILLS 21, Denver Broncos 14

November 8 — Rich Stadium — (63,698)

The Bills scored their biggest home victory in three seasons when they defeated the Denver Broncos. The Buffalo running game was in high gear in the win, as five backs ran 58 times for 258 yards, including 171 yards in the opening half as the Bills built an 18-0 halftime lead. However, with just over four minutes left in the third quarter, Denver rebounded with two scores in the second half to pull within a TD, 21-14. A 15-yard pass from John Elway to Vance Johnson cut the margin to a TD with just 5:50 left and then the Broncos forced a fumble by Steve Tasker on the ensuing kickoff which was recovered at the Buffalo 23. After an unsportsmanlike conduct penalty was assessed to the Bills, Denver moved to the Buffalo 11. Then, Sammy Winder ran into the middle on second down but end Bruce Smith forced a fumble which was recovered at the six by Nate Odomes. Buffalo rolled up 280 yards to just 60 for the Broncos and also blocked two punts which resulted in safeties.

Cleveland Browns 27, **BILLS** 21

November 15 — Cleveland Stadium — (78,409)

A late fourth quarter rally by Buffalo wasn't enough as the Bills dropped a 27-21 decision to Cleveland. The Bills grabbed an early 7-3 lead but then saw the Browns score 24 unanswered points to lead 27-7. Buffalo's only score in the first three quarters came near the end of the opening period when safety Mark Kelso picked up a Kevin Mack fumble and raced 56 yards for the score. Two other scoring opportunities by the Bills in the second quarter went awry as Scott Norwood missed two field goals of 38 and 36 yards. On the other hand, Cleveland's Bernie Kosar completed 14 of 21 passes in the opening half which set up a field goal and touchdown. Cleveland's other first half score came on a 27-yard fumble return by Ray Ellis when he picked up a Pete Metzelaars' fumble. The Bills ended their scoring drought in the fourth quarter when Kelly found Chris Burkett for a 13-yard TD pass and when he connected with Andre Reed for a 10-yard scoring play. The Bills attempted an onside kick following Reed's touchdown but it failed and Cleveland ran out the final 51 seconds for their sixth win in nine outings.

BILLS 17, New York Jets 14

November 22 — Giants Stadium — (58,407)

The Bills ended a seven-game losing streak to the Jets by posting a 17-14 win. Ignoring the cold temperatures and gusty winds, the Bills spotted the Jets a 7-0 second period lead before roaring back with 17 unanswered points. The Jets, trailing 17-7, made it interesting by scoring on a tipped pass with 57 seconds left in the game, but the Bills recovered the onside kick attempt. The Jets got on the scoreboard first when Ken O'Brien passed 32 yards to tight end Mickey Shuler on fourth down mid-way through the second quarter. However, three minutes later, Jim Kelly directed a short 29-yard scoring drive which he finished off by passing 25 yards to Walter Broughton, who caught his first NFL scoring pass. A 10-point third period proved to be all the Bills would need. Rookie fullback Jamie Mueller scored his first NFL TD on a two-yard rush with nearly six minutes gone in the period before Scott Norwood added a 42-yard field goal minutes later. The Buffalo defense was outstanding in the second half, limiting the Jets to just 18 yards rushing for the half and it kept the Jet offense from entering Buffalo territory until the final minutes of the fourth quarter.

BILLS 27, Miami Dolphins 0

November 29 — Rich Stadium — (68,055)

Buffalo played one of its finest games in the last few years when it upended the Dolphins, 27-0. The Bills rolled up 446 yards in total offense while limiting Miami's high-powered offense without a TD and to just 229 total yards. The defense stopped Dan Marino's string of consecutive games with a touchdown pass at 30 and also held the Miami quarterback to just 13 completions in 28 attempts for 165 yards. He was intercepted three times before being replaced in the final period by Don Strock. Buffalo struck first just nine seconds into the second quarter when fullback Jamie Mueller, who was making his first start, scored from five yards out to cap an 85-yard drive. The Bills followed that up with scores on the next two possessions, a three-yard pass from Jim Kelly to Butch Rolle, who scored his first NFL TD. Then after a 77-yard Reggie Roby punt put the Bills on their own 3, Buffalo marched 97 yards with Kelly's 22-yard TD toss to Chris Burkett completing the drive. Interceptions set up Scott Norwood field goals in both the third and fourth quarters.

Los Angeles Raiders 34, **BILLS** 21

December 6 — Los Angeles Coliseum — (43,143)

The Bills saw their two-game winning streak come to an end when they fell to the Los Angeles Raiders. Buffalo held a 14-13 halftime lead over the Raiders but the hosts outscored Buffalo 21-7 in the second half to deny the Bills a chance to remain in a tie for first place. A 14-yard pass from Marc Wilson to Bo Jackson and a 22-yard FG by Matt Bahr gave the Raiders a 10-0 lead after the opening period before Buffalo was able to get on the scoreboard six minutes into the second quarter. Ronnie Harmon capped a 74-yard drive by scoring his first NFL rushing TD on an eight-yard scamper to cut the lead to 10-7. Bahr added a 33-yard FG five minutes later before Buffalo took its first lead on a three-yard pass from Jim Kelly to Butch Rolle to cap an 80-yard drive that took just four plays. The Raiders, however, countered on their first possession of the third period, going 75 yards in just three plays with Wilson teaming with James Lofton on a 41-yard scoring pass. Marcus Allen made it 27-14 with a two-yard run seven minutes later. It took the Bills just over two minutes to get back into it, driving 80 yards in four plays with Ronnie Harmon scoring from eight yards out with just under five minutes left in the third quarter. The Raiders closed out the scoring when Wilson hit Dokie Williams from 23 yards out.

BILLS 27, Indianapolis Colts 3

December 13 — Hoosier Dome — (60,253)

The Bills defense was outstanding in the win, holding Eric Dickerson to just 19 yards on 11 carries and limiting the first place Colts to 130 yards in total offense. It was the fewest yards by a Buffalo opponent since 1982 when the Bills limited the Pittsburgh Steelers to 94 yards total offense. Buffalo's defense did not allow the Colts offense to convert a third down play in 10 attempts and limited the Colts' running game to just 33 yards on 17 carries. Quarterback Jim Kelly tossed a pair of TD passes to running back Ronnie Harmon and wide receiver Trumaine Johnson. Scott Norwood kicked two field goals in the victory. Buffalo's other TD came with just over a minute remaining when end Bruce Smith sacked backup quarterback Sean Salisbury in the end zone and recovered his fumble for the final touchdown. It was Smith's third sack of the game. The Bills also had two other scoring opportunities go awry because of fumbles deep in Colt territory. The Bills' defense also intercepted four passes on the day.

New England Patriots 13, **BILLS** 7

December 20 — Rich Stadium — (74,945)

The Bills needed wins in their final two games against the Patriots and Philadelphia Eagles to clinch their first AFC East title since 1980. However, by losing 13-7, and coupled with wins by Miami and Indianapolis, the Bills were eliminated from the playoff picture. The offense could never get going against the defending AFC East Champions in a game played in less than ideal conditions. There was rain at various times as well as constant winds that gusted into the 40's during the game. New England built a 13-0 halftime lead thanks to their ball control offense. Steve Grogan connected with Cedric Jones on a 7-yard pass play to open the scoring. The TD capped an 11-play, 87-yard drive. The Bills created a turnover late in the first quarter when Ron Pitts intercepted Grogan at the Patriot 23 and returned it seven yards to the 16. However, the Bills fumbled on the second down at the 14 and Steve Nelson recovered on the first play of the second period. The teams exchanged punts before New England scored its second TD on a 36-yard run by Reggie Dupard. The Buffalo defense came up with the Bills' only score in the third period when Scott Radeceic forced a fumble by Dupard and Sean McNameie scooped up the loose ball and scampered 14 yards into the end zone to make it 13-7. The Bills misfired on a fourth down passing attempt late in the final quarter at the New England 4-yard line. Fred Marion's goal line interception ended Buffalo's last threat with just over five minutes left.

1987 GAME SUMMARIES

Philadelphia Eagles 17, **BILLS** 7

December 27 — Veterans Stadium — (57,547)

The Eagles spoiled Buffalo's chances for a winning season for the first time since 1981 by posting a 17-7 victory at Veterans Stadium in the season finale for both teams. The Eagles scored 10 points in the second quarter on a 39-yard field goal by Paul McFadden and a 13-yard pass from Randall Cunningham to Anthony Toney and then added an insurance TD in the third quarter when Toney scored a second time on a two-yard run. The two TD drives covered 81 and 90 yards. The Bills finally got into the scoring column in the fourth quarter when Jim Kelly tossed a four-yard scoring pass to Andre Reed. The Bills could never get untracked, however. Philadelphia held a lopsided 40:32 to 19:28 edge in time of possession and Buffalo's longest drive was 43 yards and it could not take advantage of three Eagle miscues.

PATRIOTS 26, BILLS 8

BUFFALO, N.Y., Dec. 28, 1963 — Babe Parilli passed for 292 yards and a pair of touchdowns and Gino Cappelletti kicked four field goals to lead the Boston Patriots over Buffalo 26-8 in the Eastern Division playoff game. The Boston defense limited the Bills to just seven yards rushing and intercepted four Bills' passes to ruin Buffalo's first post-season playoff appearance. Buffalo had just 38 yards total offense in the first half as the Patriots broke to a 16-0 lead. The Bills' only scoring threat was set up by a 62-yard kickoff return by Elbert Dubenion, but Buffalo couldn't move and a 39-yard field goal attempt fell short. In the second half, Buffalo scored first on a 93-yard pass play from Daryle Lamonica to Dubenion late in the third quarter, but Boston answered with a 68-yard touchdown drive capped by a Parilli pass to Larry Garron that put the game out of reach.

BILLS 20, CHARGERS 7

BUFFALO, N.Y., Dec. 26, 1964 — Buffalo made its first appearance in an AFL Championship Game a successful one with a 20-7 victory over the San Diego Chargers. The Bills used a punishing ground attack and slinging defense as its main weapons. The Chargers scored first and made it look easy, driving 80 yards in just four plays, but the momentum quickly changed hands. On the Chargers' second possession, the Bills' Mike Stratton crashed into San Diego running back Keith Lincoln, putting the Charger star out of the game, and a sense of excitement rippled through the Buffalo stands. The rest of the game belonged to the Bills. Cookie Gilchrist's 122 rushing yards complimented the varied Bills' passing attack as Buffalo scored 20 unanswered points. A pair of Pete Gogolak field goals and a four-yard run by Wray Carlton gave Buffalo a 13-7 halftime lead and Jack Kemp's 47-yard pass to Glenn Bass set up a Kemp sneak for a TD in the third quarter that finished the scoring.

BILLS 23, CHARGERS 0

SAN DIEGO, Calif., Dec. 26, 1965 — For the second straight year, the Buffalo Bills can thank their defense. Just ask the frustrated San Diego Chargers, who for the second time fell to the Bills in the AFL Championship Game, this time by a 23-0 count. In eight quarters of championship play, the Chargers have managed just seven points against Buffalo. After an uneventful first quarter, Buffalo scored all the points it needed in this game with a pair of touchdowns in the second quarter. Jack Kemp, voted the game's most valuable player, hit Ernie Warlick with an 18-yard touchdown pass to open the scoring and three minutes later the Bills' Butch Byrd returned a punt 74 yards for a score to put Buffalo on top 14-0. The rest of the game belonged to the Bills' defense as time and again they thwarted San Diego's explosive offense. Three Pete Gogolak field goals in the second half added icing to the Bills' championship cake.

CHIEFS 31, BILLS 7

BUFFALO, N.Y., Jan. 1, 1967 — Led by the impeccable quarterbacking of Len Dawson, the Kansas City Chiefs earned the right to play the Green Bay Packers in Super Bowl I by defeating Buffalo 31-7. Dawson completed 16 of 24 passes for 227 yards and a pair of touchdowns while the Kansas City defense forced four Buffalo turnovers and limited the Bills to nine first downs and 40 yards rushing. It was a turnover that turned the game around. The teams traded early touchdowns as the Chiefs took advantage of a Buffalo fumble on the opening kickoff to grab a 7-0 lead. The Bills countered with a 69-yard bomb from Jack Kemp to Elbert Dubenion to tie the game. Dawson hit Otis Taylor with a 29-yard TD pass in the second quarter to put the Chiefs on top, but Kemp moved Buffalo into scoring position near the end of the half. A Johnny Robinson interception and long return set up Mike Mercer's 32-yard field goal with three seconds left in the half and Kansas City had the momentum. Buffalo never penetrated the Chief's 40-yard line in the second half while Kansas City added a pair of scores by Mike Garrett to turn the game into a rout.

STEELERS 32, BILLS 14

PITTSBURGH, Pa., Dec. 22, 1974 — A four-touchdown explosion in the second quarter propelled the Pittsburgh Steelers to a 32-14 win over the Bills, spoiling Buffalo's first post-season appearance in eight years. The Bills moved out to an early 7-3 lead on a 22-yard touchdown pass from Joe Ferguson to Paul Seymour. Buffalo's advantage was short-lived against the eventual Super Bowl Champions. Terry Bradshaw ran the Steeler offense to perfection in the second quarter, completing seven of eight passes for 143 yards and repeatedly hurling Buffalo with scrambling gains. Rocky Bleier began the Pittsburgh scoring avalanche with a 27-yard TD reception and Franco Harris scored three times from inside the five yard line as the Steelers moved out to an insurmountable 29-7 lead. In the second half Buffalo's comeback hopes were stymied by the tough Pittsburgh defense and a stubborn ball control offense that kept the ball away from the Bills.

CHARGERS 20, BILLS 14

SAN DIEGO, Calif., Jan. 3 — Making their first playoff appearance since 1974, the Bills had a victory within their grasp until the waning moments. Then, in dramatic fashion, the San Diego Chargers rallied from a 14-13 deficit as Quarterback Dan Fouts connected with Wide Receiver Ron Smith on a 50-yard scoring pass with just 2:08 remaining in the game. The reception was only the fifth of the season for Smith. Playing courageously on a badly sprained left ankle, Quarterback Joe Ferguson tried to direct a last ditch bid by the Bills. His efforts were thwarted, however, when a pass was picked off by a San Diego defender after Buffalo had reached midfield. Meeting for the second time at San Diego within a three-month span, the teams battled on even terms until the Chargers got a late first quarter field goal. Then the Bills took command with two second period scores. The first came on a one-yard burst up the middle by Roosevelt Leaks early in the quarter. With only 16 seconds remaining before halftime, Ferguson connected with wide receiver Frank Lewis on a 9-yard scoring play, upping the Bills' margin to 14-3. San Diego countered with a third quarter TD and fourth period field goal before the late heroics by Fouts and Smith. With Ferguson badly hobbled by his ankle injury, the Buffalo offense never got into gear in the second half, managing just 94 total yards. Even so, it took a spectacular play to keep the Bills from achieving their third consecutive win over the Chargers in playoff competition, the last one coming in the 1965 AFL title game.

BILLS 31, JETS 27

NEW YORK, N.Y., Dec. 27, 1981 — In a "wild card" game that lived up to its name, the Buffalo Bills stormed to a 24-0 lead but needed a last-second pass interception by Bill Simpson to preserve their first post-season victory since 1965. Charles Romey got the visitors off and winging by picking up Bruce Harper's fumble on the opening kickoff and returning it 26 yards for a touchdown. The play took 16 seconds and was the second fastest score in NFL playoff history. Touchdown passes of 50 and 26 yards to Frank Lewis, who caught seven for 158 yards in the game, were sandwiched around a 29-yard Nick Mike-Mayer field goal to put the Bills, who lost in New York 33-14 during the regular season, up by 24-0. The Jets hung up 10 points before halftime and trailed 24-13 after Pat Leahy's 19-yard field goal in the third quarter. Joe Cribbs, who rushed for 83 yards and caught passes for 64 more, staked the Bills to a 31-13 lead with his 45-yard scoring run five minutes deep into the final period. The Jets, however, refused to die. Richard Todd moved them 80 yards in eight plays, hitting Bobby Jones with a 30-yard touchdown pass. After Buffalo failed to move, Todd, helped by a big interference call against Mario Clark that wiped out an apparent interception, got New York on the board again with a 58-yard march that ended on Kevin Long's one-yard plunge to paydirt. Buffalo could not generate a first down and turned the ball back to New York at the Jets' 20 with 2:36 remaining. Todd passed the Jets downfield, reaching the Buffalo 11 with just 10 seconds to play. Simpson stepped in front of his second-and-ten try for Derrick Gaffney in the end zone to intercept at the Buffalo one to seal the Jets' doom.

BENGALS 28, BILLS 21

CINCINNATI, OHIO, Jan. 3, 1982 — AFC Champion Cincinnati, cashing in a long punt return and a pass interception, jumped to a 14-0 first quarter lead and held on to defeat Buffalo 28-21 in a divisional playoff game at Riverfront Stadium. It was the first post-season victory in the history of the Bengals' franchise and, for the second straight year, eliminated the Bills in the semi-finals of the NFL's post-season tournament. The Bengals' Mike Fuller returned a Greg Cater punt 27 yards to start Cincinnati's first possession at the Buffalo 42. Charles Alexander, who was a surprise rushing leader for the Central Division champs with 71 yards, capped a seven-play drive with his four-yard scoring run. After Ken Riley intercepted a Joe Ferguson pass, the Bengals marched 48 yards in eight plays and took a 14-0 advantage on Pete Johnson's one-yard run. Buffalo breathed new life before halftime, hitting a 54-yard pass from Ferguson to Jerry Butler, and drawing to within 14-7 on Joe Cribbs' one-yard run. Early in the third quarter, the Bills evened the issue on a 44-yard scoring run by Cribbs, a play that would later prove costly as the Buffalo rushing leader injured a knee and played only one more down before retiring for the afternoon. The teams traded touchdowns, Cincinnati scoring on a 20-yard run by Alexander and Buffalo on a 21-yard pass from Ferguson to Butler, to make it 21-21 after one play of the fourth quarter. Bengal quarterback Ken Anderson orchestrated a 78-yard drive in nine plays to put Cincinnati back in the driver's seat 28-21 on a 16-yard scoring pass to Cris Collinsworth. Buffalo's last gasp reached the Bengal 20 late in the final stanza but a controversial delay-of-game penalty wiped out an apparent third down conversion pass to Lou Piccone and Ferguson overthrew Roland Hooks in the end zone on fourth down.

Summer Home of the Buffalo Bills

Campus View – College at Fredonia

The 245-acre campus of the State University of New York College at Fredonia has been the summer home of the Buffalo Bills since 1981. Located in the heart of northern Chautauqua County, halfway between Buffalo and Erie, Pa., the College at Fredonia offers programs in a wide range of major disciplines, as well as student-designed majors, leading to bachelor's and master's degrees. Its nationally-recognized General College Program provides a required core of liberal arts studies.

The College at Fredonia's campus incorporates an interesting blend of architecture, with a traditional brick perimeter enclosing a modern sculptured core of buildings designed by such famous architects as I.M. Pei. Enhancing the beauty of the campus are well-kept sloping lawns and wooded areas.

While holding summer camp, the Bills' staff and players utilize many of the college's fine facilities. Team members, the coaching staff and management live and meet in three of the college's 13 dormitories. The college's food services staff provide meals for players and personnel in its Erie Dining Center.

In addition to the college's well-groomed playing fields, the Bills utilize physical education facilities including Dods Hall and Steele Hall, the latter a new fieldhouse containing an indoor track and ice skating rink.

Visitors are most welcome to the College at Fredonia during Bills' summer camp, or anytime throughout the year. In addition to its academic programs, the college is a cultural center for the area, with student and guest productions at its Michael C. Rockefeller Arts Center.

BILLS ALL-TIME RECORDS

Every attempt has been made to compile as complete a table of records as possible. Errors will be corrected if documented. Since the Bills joined the AFL in 1960, the league has increased the number of games played each season from 14 in 1960 to the current 16 in 1988.

NOTE: The 1982 and 1987 regular season schedules were interrupted by a players' work stoppage. The normal 16 game schedule was reduced to 9 games in 1982 and 15 games in 1987.

STADIUM INFORMATION

Orchard Park is headquarters for NFL football in Western New York. Before a sellout crowd of 80,020, the Buffalo Bills dedicated their spanking new playing facility on August 17, 1973. While the visiting Redskins captured the inaugural game 37-21, even defeat could not dull the enthusiasm of fans who had long awaited completion of the project.

Built on a 113-acre tract approximately 25 minutes from downtown Buffalo, the stadium was constructed at a cost of \$22 million, financed by the taxpayers of Erie County. From the ground-breaking on April 4, 1972, to the inaugural, actual construction time was slightly over 14 months.

To form the lower level of the stadium more than 370,000 feet of shale was removed—putting the field 50 feet below ground level. The outside of the stadium rises only 60 feet above the horizon. The Astro Turf field has an 18-inch crown to assure proper drainage.

Surrounding the stadium are parking facilities for 16,000 cars and 300 buses. Scattered throughout the concourses are 38 concession stands and 42 rest rooms.

Current capacity of the stadium is 80,290 which makes it the third largest in the NFL. Only the Los Angeles Coliseum (92,516) and the Pontiac Silverdome (80,638) are larger in the NFL.

BILLS' WALL OF FAME

Introduced in 1980 with the addition of former great O.J. Simpson, the Buffalo Bills Wall of Fame will add a fifth member this fall when Billy Shaw, a member of the All-Time AFL team who played with the Bills from 1961-69, joins the illustrious group on October 23rd. Former quarterback Jack Kemp was placed on the wall in 1984 and Patrick J. McGroder, Jr. joined the group a year later. McGroder, who passed away in early 1986, was instrumental in helping Buffalo land a pro franchise in 1960 and later served more than 25 years as a key member of the club's front office staff. The late Tom Sestak, a defensive tackle and one of Buffalo's all-time great players from 1962-68 and another member of the All-Time AFL team, was placed on the wall in 1987.

BILLS ALL-TIME ROSTER
